

## LIABILITY INSURANCE FOR THE MOTOR SPORT INDUSTRY

Over many years Manufacturers, Retailers, Suppliers and all those businesses involved in Motor Sports Activities have found it very difficult to obtain Public and Products Liability Insurance, and if they do at a reasonable price.

Critical Parts Manufacturers, Roll Cage Manufacturers/Installers, Sports Tyre Fitters, Track Owners and Operators, Drive Day Operators and many more Motor Sport related Activities can now obtain Public and Products Liability Insurance.

Policy Limits up to \$20,000,000 are available.  
 Legal Costs and other expenses included  
 Competitive premiums with easy payment option

OAMPS Insurance Brokers, as proud supporters of the Australian Institute of Motor Sport and the Australian Motor Sport Foundation has developed a specific industry insurance product to provide coverage for all those Motor Sport Activities and Products Manufactured and Supplied to the Motor Sport Industry.
