## Quotation Request Form

OAMPS Insurance Brokers have developed Nurserypac Plus to meet the specific needs of the Nursery Retailers and Wholesalers across Australia.

Switching to Nurserypac Plus has saved Nursery and Garden Industry Australia (N.G.I.A.) members up to 30% on their premiums, while at the same time providing them with more comprehensive cover with tailored options.

As the endorsed insurance broker to NGIA, OAMPS Insurance Brokers can work with you to achieve the best outcome for your business.

We would welcome the opportunity to provide you with a competitive insurance policy quote tailored to meet your needs. You do not need to wait until your current insurance policy comes due for renewal. Simply complete and return this from now and we will contact you prior to your current insurance expiry to arrange a comprehensive quote.
